Dear Prospective Sponsor,

We can't simply believe in music education, we have to make it happen!

Music for Minors II (MFMI) is a 501 (c)(3) nonprofit that has kept music alive in children's classrooms and lives since 1988 due to cuts in arts education, by recruiting, training and supporting community volunteers who become music docents, sharing the joy of music weekly in preschool through 6th grade children's classrooms to help fill the music void.

YOU can make a musical difference in a child's life! Join us in supporting our **MFMI Children's Showcase Concert on Saturday, March 25, 2023 at 3pm** which will feature students in Fremont, Newark and Milpitas Unified School Districts and the **MFMI Kids Choir**.

Proceeds from this community showcase concert will benefit our **FREE**:

- Annual MFMI Training Program for community volunteers
- Family Music Nights and Classroom Presentations
- Monthly, Virtual Music and Movement sessions, other MFMI Community Presentations and much more

All these enable us to sustain and expand our services to thousands more children in need of music education. This in person concert will be our first since 2020 when COVID negatively impacted our program's services.
